

Superior High School

SAT/ACT Test Preparation

College Testing Preparation:

This time allows for the formation of testing skills as well as testing material overview.

SAT/ACT Testing: (College Board Format)

This testing time fosters the key aspects to raise you SAT score or to prepare for taking the exam. We utilize practice exams from College Board and ACT Review.com to gain better insight to the standards and the testing practices.

Cost:

This opportunity is free to all Superior High School students who wish to improve his/her skills in reading and mathematics. We will be taking practice exams and determining best practices of grading to ascertain the best scores possible.

We will be working as a collective group so regular attendance is imperative. We ask that you sign up before each session to gain insight to number of those attending.
